

## **Annual Tree Trimming**

**Tuesday, September 8th**

**&**

**Wednesday, September 9th**

Urban Tree Care is scheduled to be in our community to trim trees and remove three (3) trees on Tuesday, September 8<sup>th</sup> and Wednesday, September 9<sup>th</sup>. The trees being removed will be marked. One is located at the entrance to Crosby Tennis Drive. Two horticulturists examined it and stated it could not be saved. The other two are Sycamores located at 16925 and 16930 Blue Shadows Lane. These trees are to be removed because their structural integrity is weak. They could potentially fall on a member's house during a wind storm. The Association will replace the Sycamores with two trees that are similar in the fall.

The following trees to be trimmed throughout the community are:

- Entrance on Crosby Tennis Drive - Oak and Arbutus
- Crosby Tennis Drive - Arbutus, Oak and Sycamore
- Simple Melody Lane - Olive, Rhus, Oak and Sycamore
- Blue Shadows Lane - Olive, Rhus, Sycamore, Oak, Red Bud, Arbutus and Magnolia
- Entrance on Turf Club Drive - Olive
- Turf Club Drive - Olive and Sycamore

This is standard landscape maintenance, which has to be done on a regular basis in order to maintain the health of the trees and keep the community looking its best. Please contact MyDay Management should you have any concerns or questions pertaining to this matter. They may be reached at 760-239-6624 or 800-361-8921.
